AEML organises week-long education drive on electrical safety measures

Adani Electricity Mumbai Limited on 4th March, observed National Safety Day and organized a week long educational drive for its customers on electrical safety measures across its Distribution area. The campaign, spearheaded by the National Safety Council celebrated its 49th anniversary this year revolving around the theme of 'Enhance Health & Safety Performance by use of Advanced Technology.' AEML engaged with citizens across all age groups on pivotal electricity precautionary measures that play a crucial role in safeguarding their lives, over the course of National Safety Week which is held from 4th March to 11th March this year.
