Sub: Good job by Adani Team.

Sirs,

We take this opportunity to express our appreciation for the speedy and precise work done by your team. We had 1200+ Members who have taken possession of new Rehab premises at Samata Nagar from the Developer M/s. S D Corporation Pvt. Ltd. and all these members were required to apply for the transfer of names in their respective Electricity Bills. We are highly grateful that your front end customer support team has done a very good job in explaining the procedure and your back end team was efficient in their name transfer process and that too in a quick time.

We have another group of 700+ Members who are about to take possession of their Rehab premises in recent future and needless to say that your team will extend similar co-operation for the same.

Wishing you good luck for all your endeavours.

Thanks and best regards,

For Samata Nagar Co-op Housing Societies Union Ltd.
