

AEML employees participate In Swachh Bharat Mission

The employees of Adani Electricity Mumbai Ltd. (AEML) participated in the government's 'Swachha Abhiyan'. AEML spokesperson said, "As a group, we have always aligned our values with the national agenda with a deep commitment to 'Nation Building' that is an integral part of our vision. Through this Initiative, AEML employees are determined to extend their contribution for the national movement." As a team effort, close to 2,500 employees will be working in groups for eradicating the waste thrown on the road as well as in and around their office premises. AEML took a pledge to extend its support with its employees taking part in the 'Swachhta hi Seva Movement'.
