

## Media Release

# 2500 AEML employees joined hands over the past two weeks, spends over 10,000 hours to support 'Swachha Bharat Mission'

### EDITORS SYNOPSIS

- Adani Electricity Mumbai Limited successfully concluded the two-weeks long cleanliness drive on the occasion of Gandhi Jayanti
- Energetic team of employees worked in groups over the last two weeks to clean different parts of the city even during the festivities of Ganpati
- Over 2500 employees devoted their time and support towards the national mission by conducting cleanliness drive across their office premises and public areas

**Mumbai, October 2, 2018:** On the occasion of 150th birth anniversary of Mahatma Gandhi, employees of **Adani Electricity Mumbai Limited (AEML)** announced the successful completion of their two-week long cleanliness drive initiated in support of the *Clean India Movement*. Over 2500 AEML employees had taken the pledge to work in groups and covered several parts of the city as part of the cleanliness drive.

Government of India had announced a national campaign 'Swachhata hi Seva Movement' last month, encouraging support from educational institutes and corporates to extend their contribution for a cleaner surrounding. The initiative also celebrated successful completion of four years of Swachh Bharat Mission nationally with various supporters joining hands for a cleaner environment.

Talking about the efforts put in by the employees, **AEML spokesperson said**, "It was an honor and privilege for us to come together and participate in this noble cause. All the employees showed great determination in making this initiative a big success, with no reluctance towards working early mornings, on weekends, and even during the festivities of Ganpati."

### **About Adani Electricity Mumbai Limited**

Adani Electricity Mumbai Ltd (AEML), part of the diversified Adani Group, is an integrated business of power Generation, Transmission & Retail Electricity Distribution. It serves over three million consumers spread across 400 sq kms in Mumbai and its suburbs with 99.99% reliability, among the highest in the country. Adani Electricity meets close to 2,000 MW of power demand in Mumbai's largest and the most efficient power distribution network.
