

Adani Electricity Mumbai Ltd. (AEML) Launches a Unique Apprenticeship Programme Under NAPS (National Apprentice Promotion Scheme)

- Training will bridge gap between power industry and skilled manpower
- Through training participant will get awareness of the complexity of the job on field job

Mumbai: February, 10, 2021: Adani Electricity Mumbai Limited (AEML) has launched first of its kind a Unique Apprenticeship training Program under National Apprentice Promotion Scheme (NAP) for the period of 12 months for diploma holders at its Versova Technical Training Centre (VTTC). This unique training programme will enable apprentices to work in distribution business of the power sector.

AEML in association with Power Sector Skill Council (PSSC) under NAPS Scheme (National apprentice ship Promotion Scheme) in India has launched the training programme. This Program offers Triple Certification i.e certification by PSSC in the optional trade of Junior Engineer Power distribution, training also covers syllabus of 12 weeks course on "Certification course on Electrical Safety and Design aspects of Electrical Installation" which is notified by the Chief Electrical Inspector, Govt Of Maharashtra, for obtaining PWD Supervisory License enable to work on Electrical system as authorized person. M/S Adani Electricity will also provide the apprentices training completion certificate upon successful completion of the training.

The training program was inaugurated by Shri Ravi P Singh(CEO of PSSC) on virtual platform, and Mr Ashok Kanse (Electrical Inspector Govt of Maharashtra) was the guest of Honor for the function at VTTC. COO of AEML Mr Kapil Sharma and Head HR Mr Manoj Sharma and other dignitaries from AEML & former advisor Training Mr C N Nagakumar were present.

While speaking on the occasion AEML Spokesperson said, "We are glad to be associated with NAP for this programme. There is a huge demand for skilled professionals in the power sector and this course will support the industry in fulfilling the requirement. Through this program we are also supporting Honorable Prime ministers Skill India Mission Program, under National Skill Development corporation."

During the programme apprentices will be provided necessary hands-on practical training and will get opportunity to work on the field/ sites which will give them exposure of the work done on the field, through trainee they will be given awareness of the complexities of the job in the field and make them industry ready. This programme will bridge gap between power industry and skilled manpower.
