

Media Release:

ADTPS firefighting team helps douse fire at Rang Rasayan Ltd, MIDC Tarapur

- The professionalism and courage displayed by ADTPS fire team was highly appreciated by the local authorities.
- Team successfully doused the fire within three hours

Dahanu / Boisar, September 13, 2021: Adani Dahanu Thermal Power Station (ADTPS), a 500 MW of power plant at Dahanu has its own Fire Brigade station in its premises. Apart from fulfilling the requirement of plant, the fire brigade team also takes care of fire incidents that are reported within the vicinity. In one of such incidents the team received a phone call on Saturday, September 11, 2021, morning at 2:28 am from MIDC Tarapur regarding a major fire in chemical factory – Rang Rasayan Ltd at Boisar. Wasting no time, ADTPS firefighting team reached to the location within one hour.

It was a major chemical fire, and 06 adjacent factories were also under the risk of fire. On reaching ADTPS fire team assessed the situations and conditions of the site and started firefighting operation under the supervision of fire officer Deshraj Parmar, along with other fire teams present at the site. ADTPS fire team has put their untiring efforts and hard work and controlled the fire by which other adjacent factories were eliminated from risk of the blaze.

It took three hours of untiring efforts to control the fire. The professionalism and courage displayed by ADTPS fire team was highly appreciated by the local authorities.

Congratulating the firefighting team, ADTPS spokesperson said, “The hard work and professionalism displayed by our Fire team is exemplary. Adani Dahanu Thermal Power Station is committed to serve to the communities in which it operates as we believe symbiotic coexistence which is mutually beneficial. ADTPS fire service team has been extending their services in the vicinity from last 25 years.”

The ADTPS fire team was led by fire officer Deshraj Parmar, and it included Hareshwar Machhi, Anil Macchi, Nitin Khetade, Hemant Davne and Driver Alankar More.

Apart from calls from nearby villages, police stations, it also provides prompt service on call from local administration in case there is fire incidence due to toppling of chemical or oil tankers on highway.
