ADTPS firefighting team saves homes from forest fire in Nikane Village.

- Kasa Police Station appreciated the support received from ADTPS fire brigade team.
- Team successfully doused the fire within one hour without any casualty.
- Saved nearby houses of villagers by timely dousing the fire.

Dahanu / Phalghar, March 12, 2021: Adani Dahanu Thermal Power Station (ADTPS), a 500 MW of power plant at Dahanu has its own Fire Brigade station in its premises. Apart from fulfilling the requirement of plant, the fire brigade team also takes care of fire incidents that are reported within the vicinity. In one of such incidents the team received a phone call on Wednesday morning at 11:15 am from Kasa Police station about raging fire in forest area of Nikane village which might soon spread to homes of villagers. Wasting no time ADTPS firefighting team reached within one hour's time to Nikane village which is around 25 km from ADTPS plant.

Navigating narrow lanes and by-lanes in the village, ADTPS team reached the spot and immediately started firefighting operations. The fire was already raging in the forest and there was danger that, it might soon engulf houses in village. However, ADTPS firefighting team first brought fire under control and saved houses of villagers and then completely doused the fire within an hour. There was no casualty reported in the fire incident.

The villagers from Nikane village and Kasa police station officials thanked ADTPS team for saving the houses of villagers.

Congratulating the firefighting team, ADTPS spokesperson said, "The hard work and professionalism displayed by our Fire team is exemplary. Adani Dahanu Thermal Power Station is committed to serve to the communities in which it operates as we believe symbiotic coexistence which is mutually beneficial. ADTPS fire service team has been extending their services in the vicinity from last 25 years."

The ADTPS fire team was led by fire officer Prabhu Kumawat and it included Sukhdev Bhanawat, Rupesh Pamale, Hareshwar Machhi, Alankar More and L B Machhi.

Apart from calls from nearby villages, police stations, it also provides prompt service on call from local administration in case there is fire incidence due to toppling of chemical or oil tankers on highway.
