

## Media Release

### **ADTPS Fire Brigade team came to rescue of locals by successfully dousing the blaze at dairy farm located at Manpada, Bordi**

- Gholdwad Police Station appreciated the support received from ADTPS fire brigade team.
- Team successfully doused the fire within two hours without any casualty.
- ADTPS fire brigade team in the past also helped locals in fire incidents in the vicinity.

**Dahanu / Phalghar, February 02, 2021: Adani Dahanu Thermal Power Station**, a 500 MW of power plant at Dahanu has its own Fire Brigade station in its premises. Apart from fulfilling the requirement of plant, the fire brigade team also takes care of fire incidents that are reported within the vicinity. In one of such incident the team received a phone call on Sunday afternoon around 2:00 pm from Gholwad Police station regarding grass fire in fodder bundles stocked outside a small dairy farm at Mandpada, Bordi owned by Mr. Hemant Churi & Mr. Khoma Rabari.

Without wasting the time, the team immediately rushed to the site and doused the blaze within two hours' time. The Gholwad Police Station officials, owner of the dairy farm and locals appreciated ADTPS fire brigade team for reaching in time and helping in dousing the fire.

**Appreciating the courage and alertness showed by the fire brigade team, ADTPS spokesperson said,** " We are proud of our team for helping the local in dousing the fire. In the past also ADTPS fire brigade team have come to rescue of local during fire incidences in the vicinity. In Sunday's fire the team observed that fodder was stocked in large bundles which have caught fire. With the help of locals, the team removed the burnt grass and immediately sprayed the water. It was challenging task to fight the fire because of accumulated compressed grass stacks. The stacks had made it difficult to spray the water. "

Fire officer Mr. Vikas Sable, Firemen Sanjiv Pagdhar, Hareshwar Macchi and Uttam Macchi took part in operation. No one was injured in the incident.
