UNDERTAKING FOR CHANGE OF NAME

Note: Please do not staple the photograph

Dear Madam / Sir,

Account No.

Meter No.

Customer's Present Registered Name

Address at which supply is connected

Pin Code

I request to transfer the above connection to my name. (Form 16.1 enclosed).

I am the tenant/occupant/owner of the premises. The connection is registered in the name of the previous tenant/occupant/owner of the premises/in the name of the builder/society.

I have read and understood the procedure for registration for Change of Name as stated overleaf and I shall abide by the set procedure and submit all true and valid documents.

I am submitting the following documents in support of my ownership/occupancy of the premises.

-
-
-

I state that I am the sole occupant/owner of the above premises for which the abovementioned meter(s) are connected and the electric supply is used exclusively for the above premises. I also state that I am not receiving supply at the above premises through any meters.

In case of any false representation on my part or in case of any objection from the present registered consumer or in case the documents produced by me are not absolutely correct, the company reserves the right to retransfer the connection in the name of the present registered consumer.

I undertake to make the payment to the company of all debits due and payable with respect to the present registered consumer that may arise at subsequent date.

I also undertake to keep your company indemnified of any consequences at any time in future, in case of any dispute on account of the transfer of the above connection to my/our/name/names.

This undertaking will be binding on myself/ourselves and my/our/her executors and administrators.

Yours faithfully,

Name

Applicant's Signature

*Joint signatures in case of multiple Registered Consumers

PROCEDURE FOR REGISTRATION OF CHANGE OF NAME

1. Please submit Requisition form:16.1 duly filled & signed.
2. Please submit undertaking form with required personal details and photograph affixed.
